

Apple & Google Wallet Pass Templates

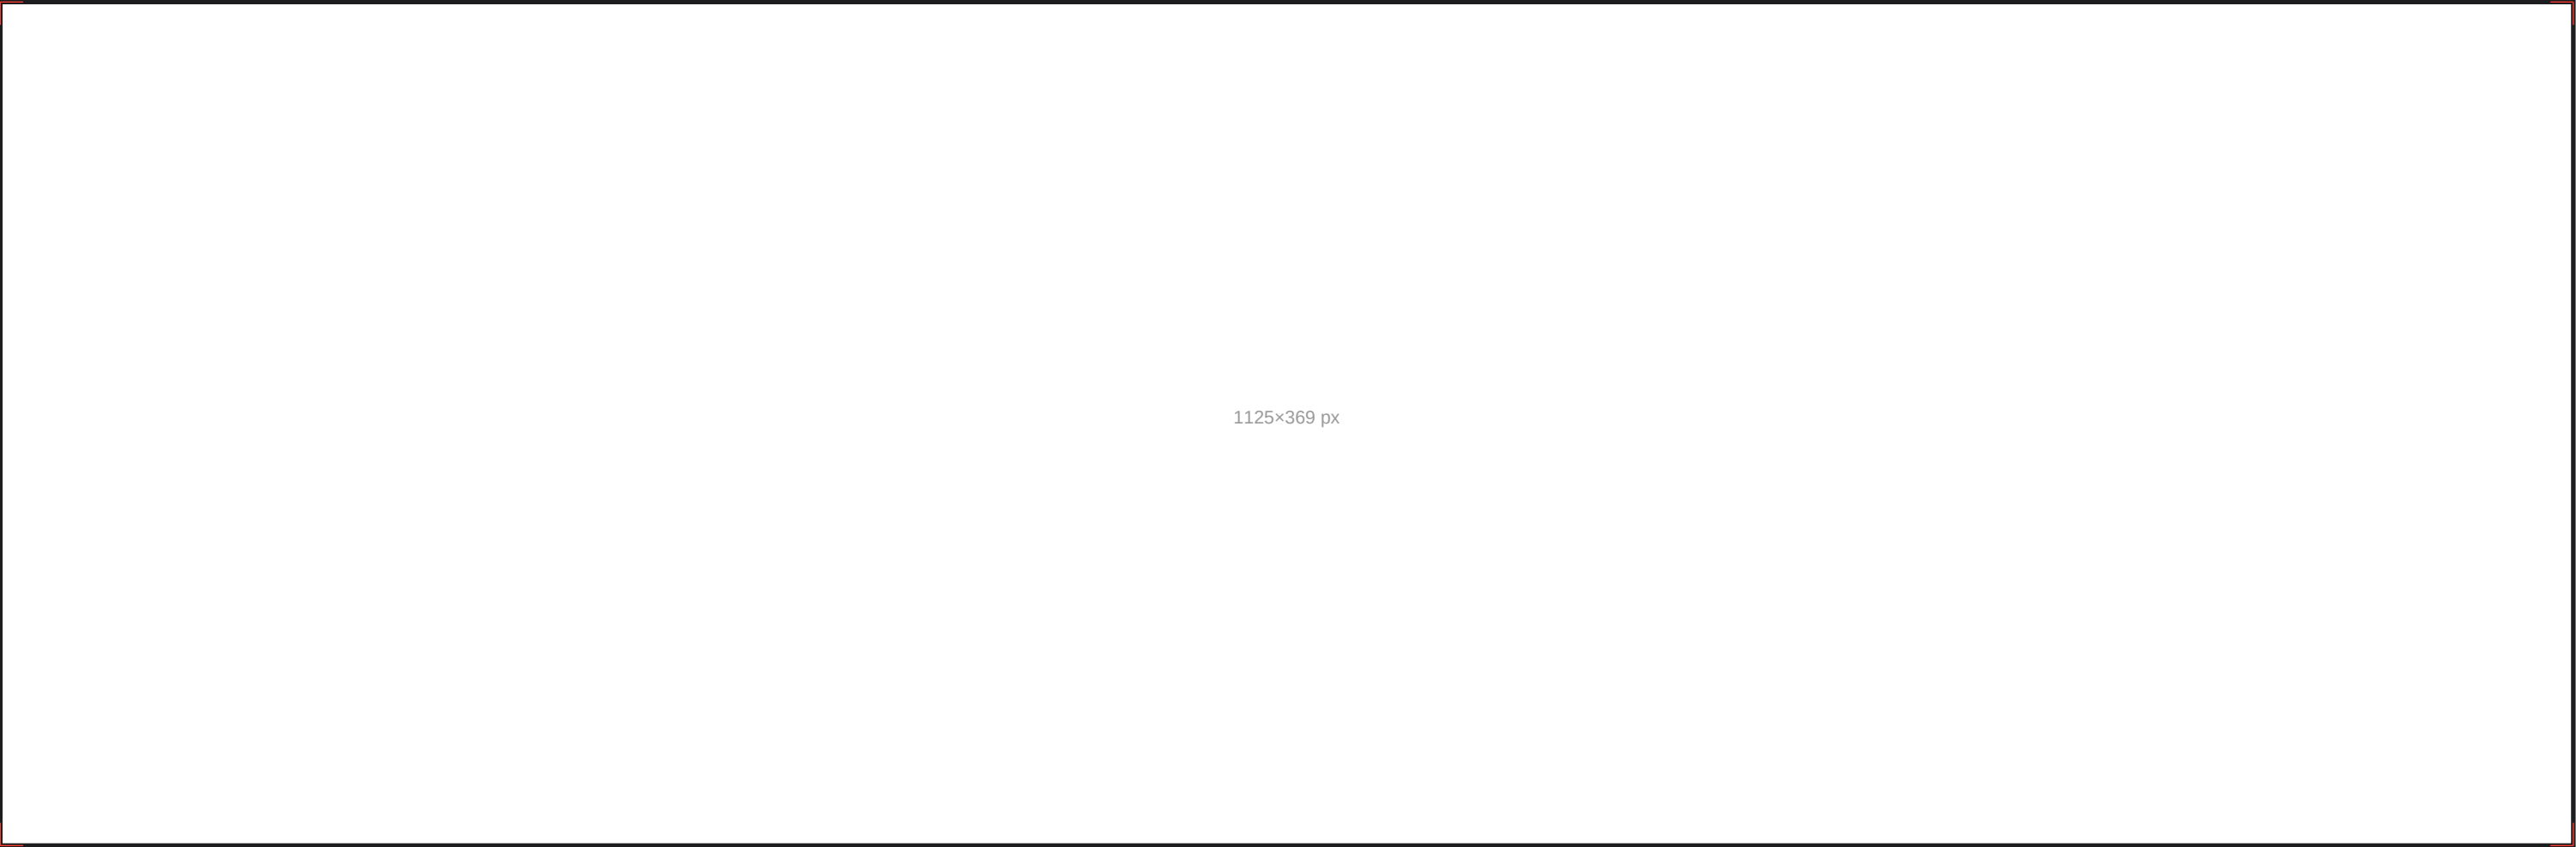

Design at @3x resolution • Export as PNG • All dimensions in pixels

Open in Adobe Illustrator: File → Open → Select this PDF

APPLE WALLET

Strip Image (Standard)

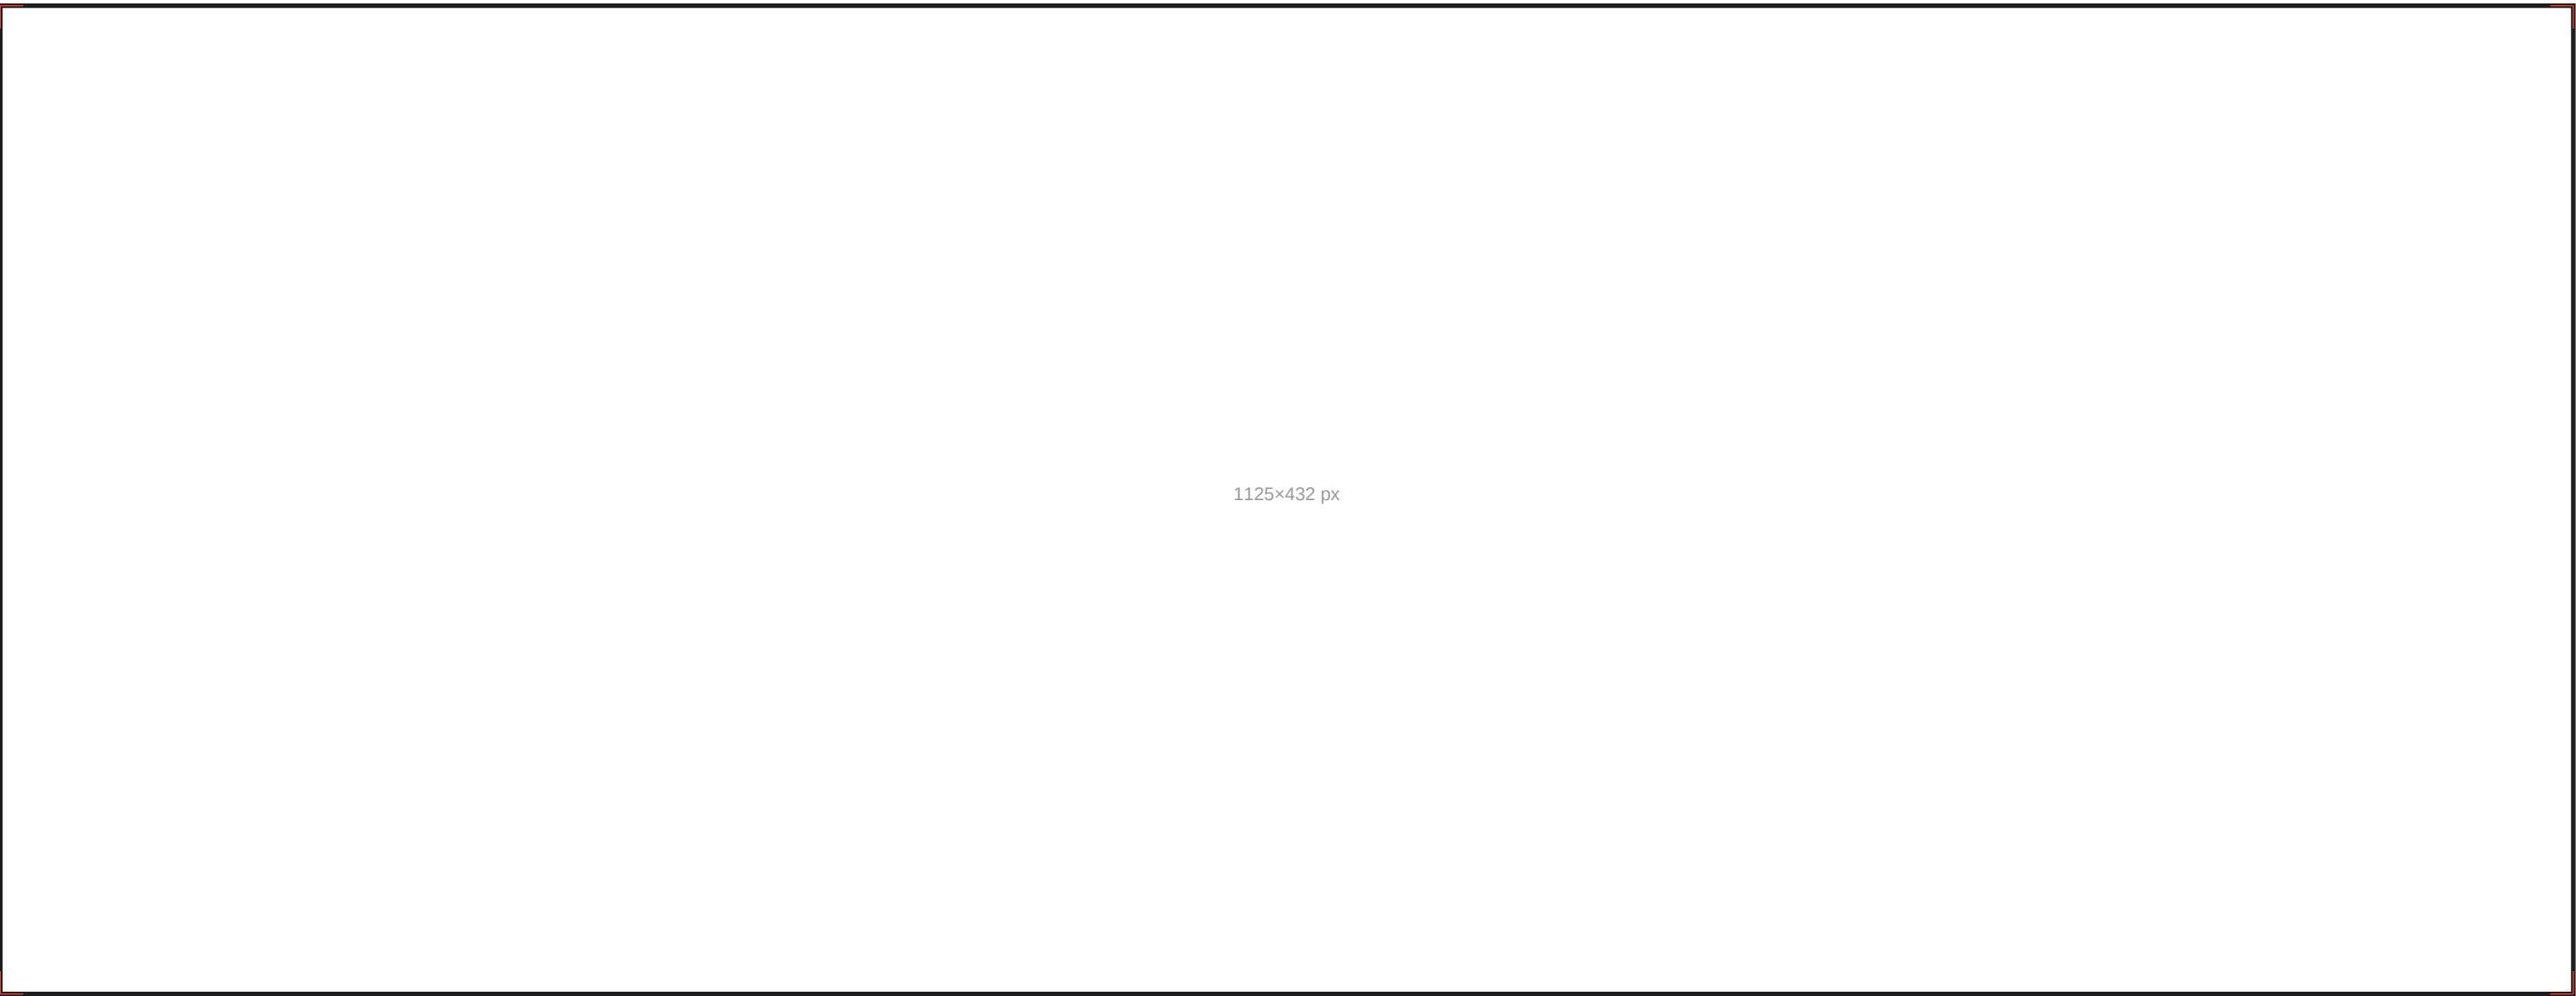

1125×369 px (@3x) • For store cards, generic passes

- Main banner image across pass center
- Avoid text - dimensions may vary slightly
- Use high-contrast imagery

Strip Image (Coupons/Gift Cards)

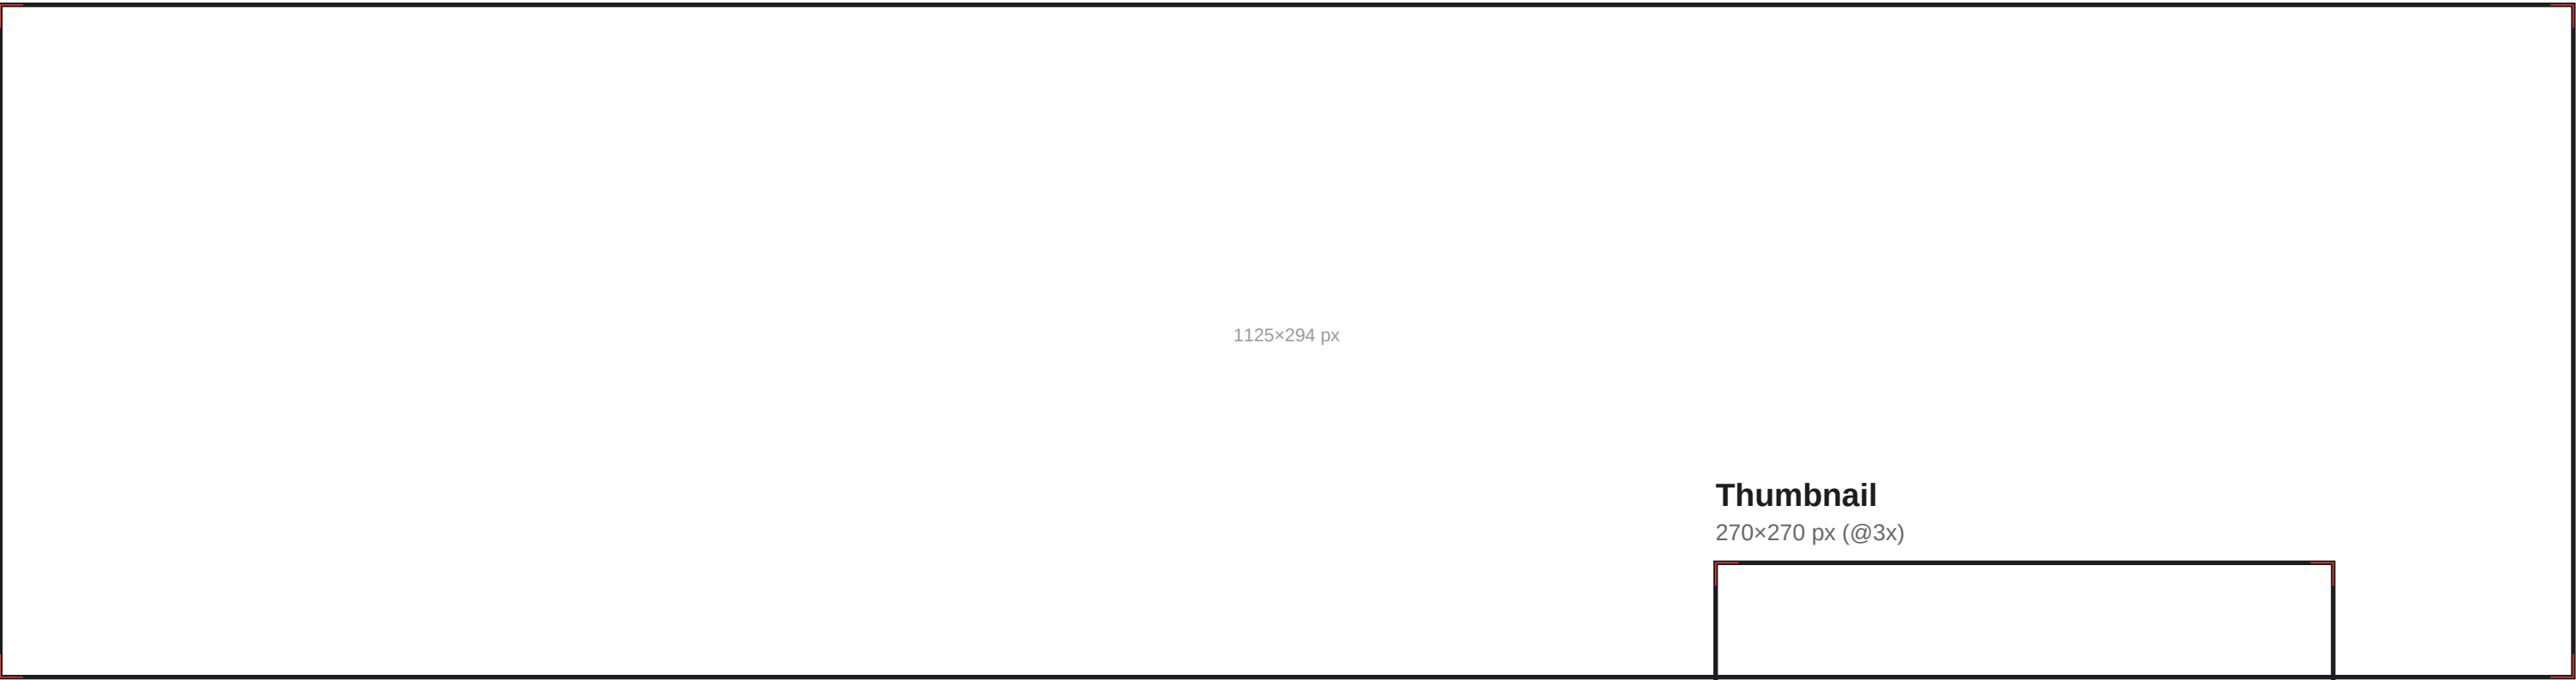

1125×432 px (@3x)

- Taller format for promotional content
- Great for branding and offers

Strip Image (Event Tickets)

1125×294 px (@3x)

- Shorter format for event passes
- Leave room for event details

Logo

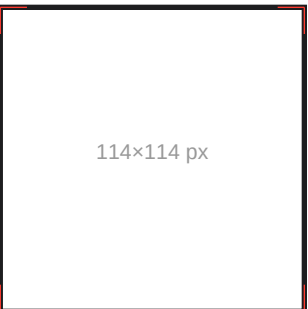

480×150 px (@3x) • Top-left corner

- Keep narrower for best display
- Transparent background recommended

Icon

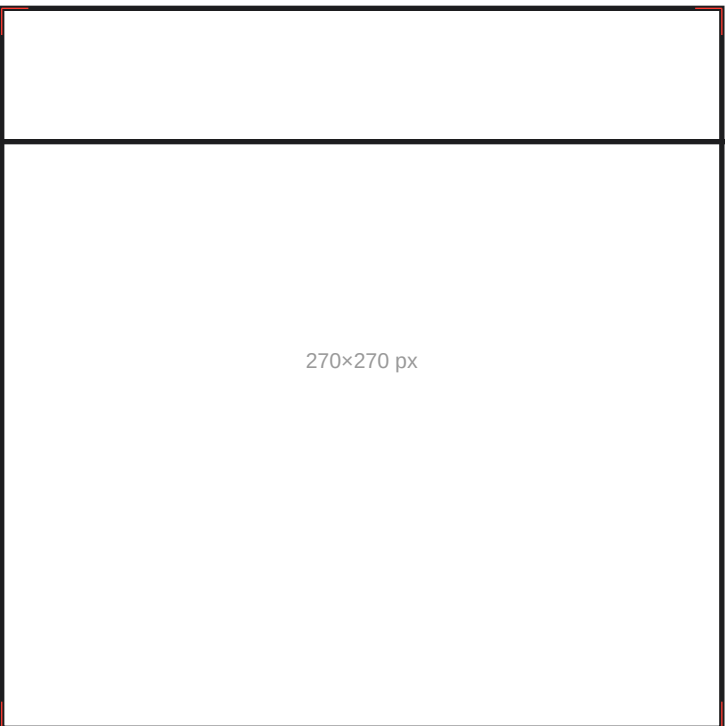

114×114 px (@3x)

- Lock screen & notifications
- Square, simple design

Thumbnail

270×270 px (@3x)

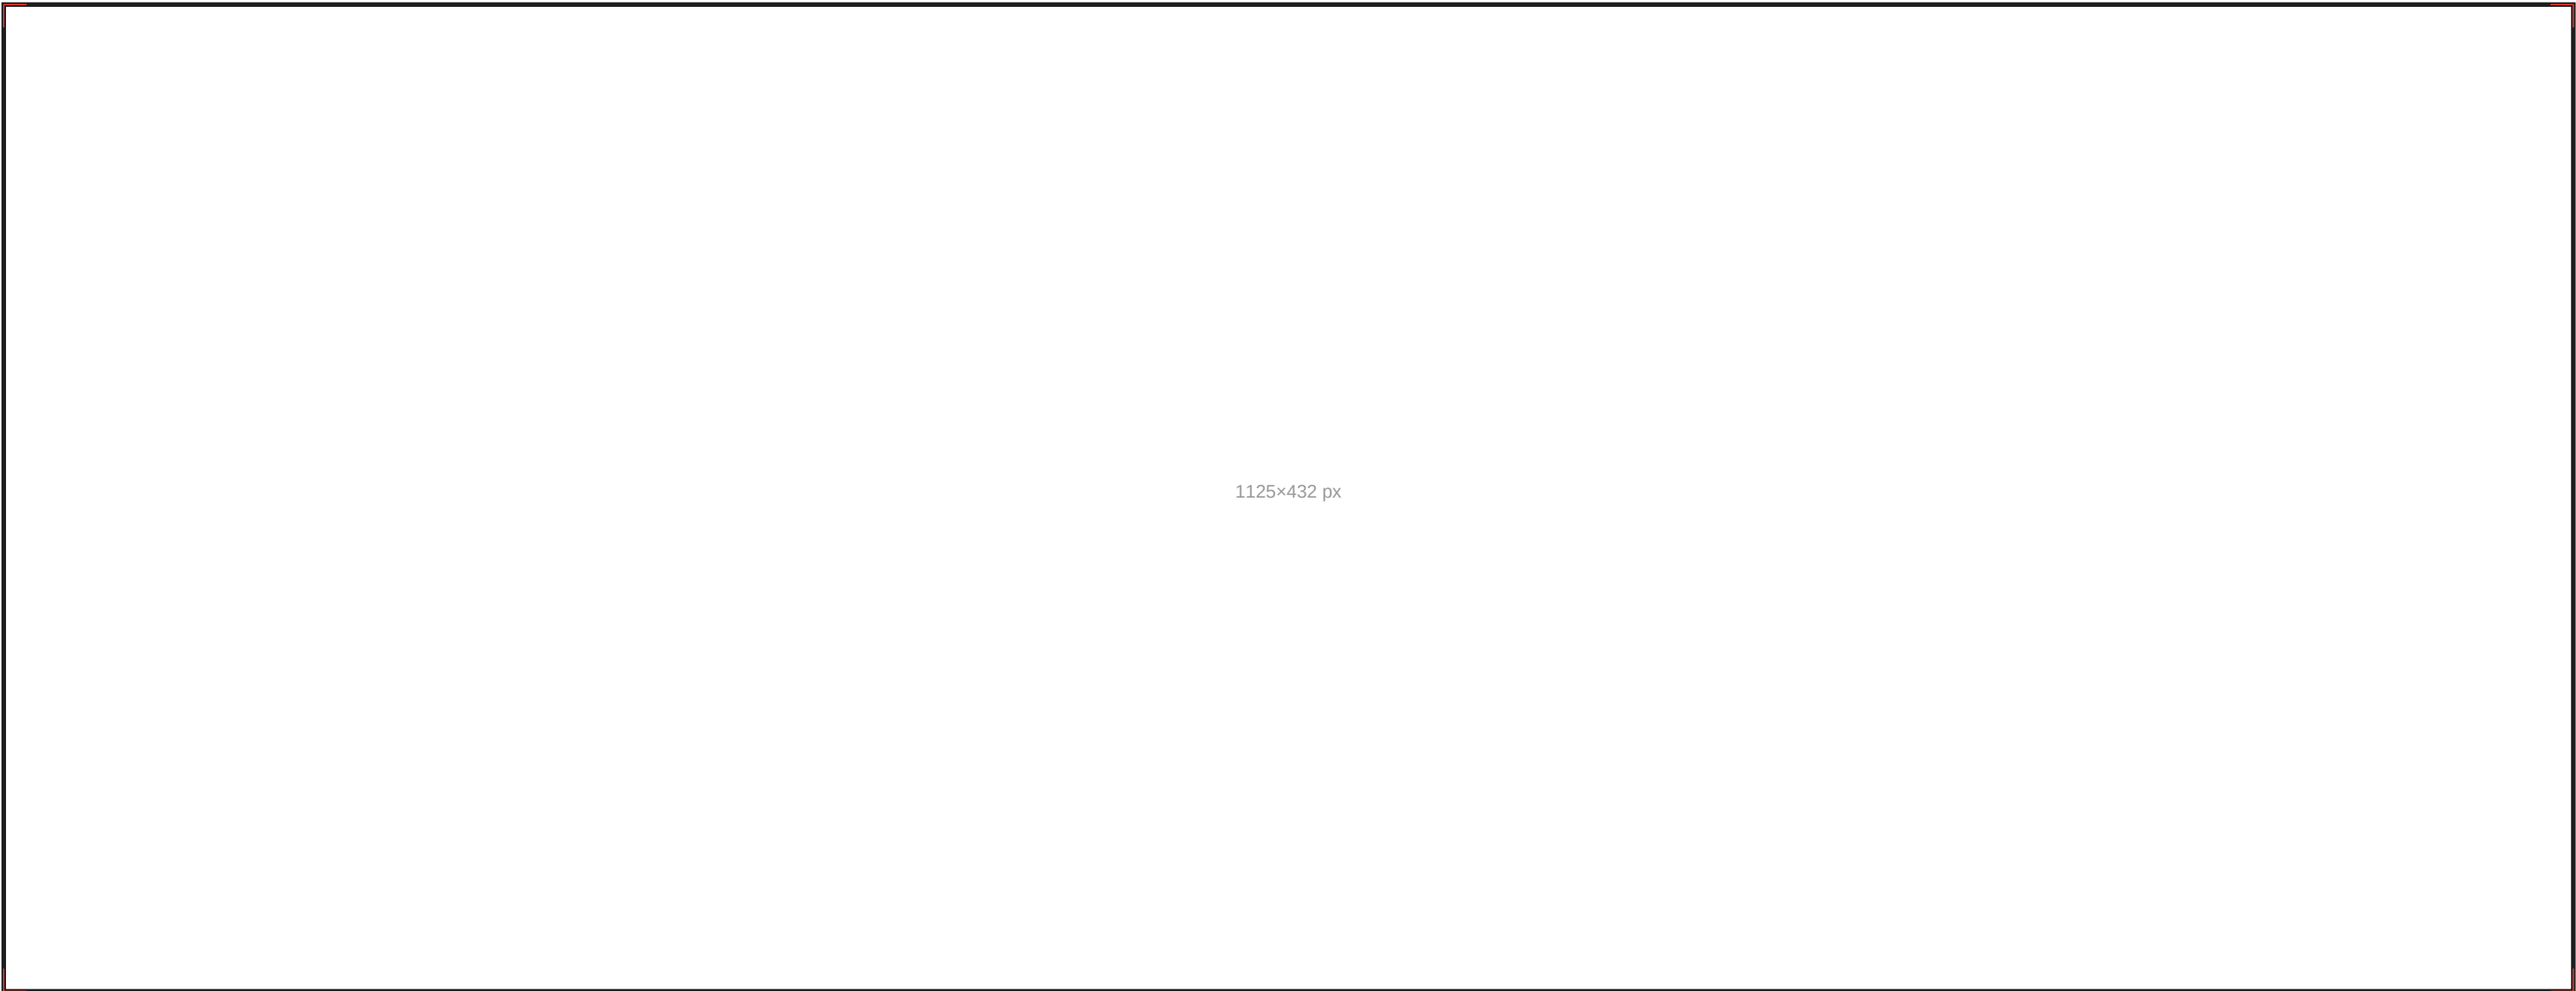

- For generic passes
- Aspect ratio 2:3 to 3:2

GOOGLE WALLET

Hero Image

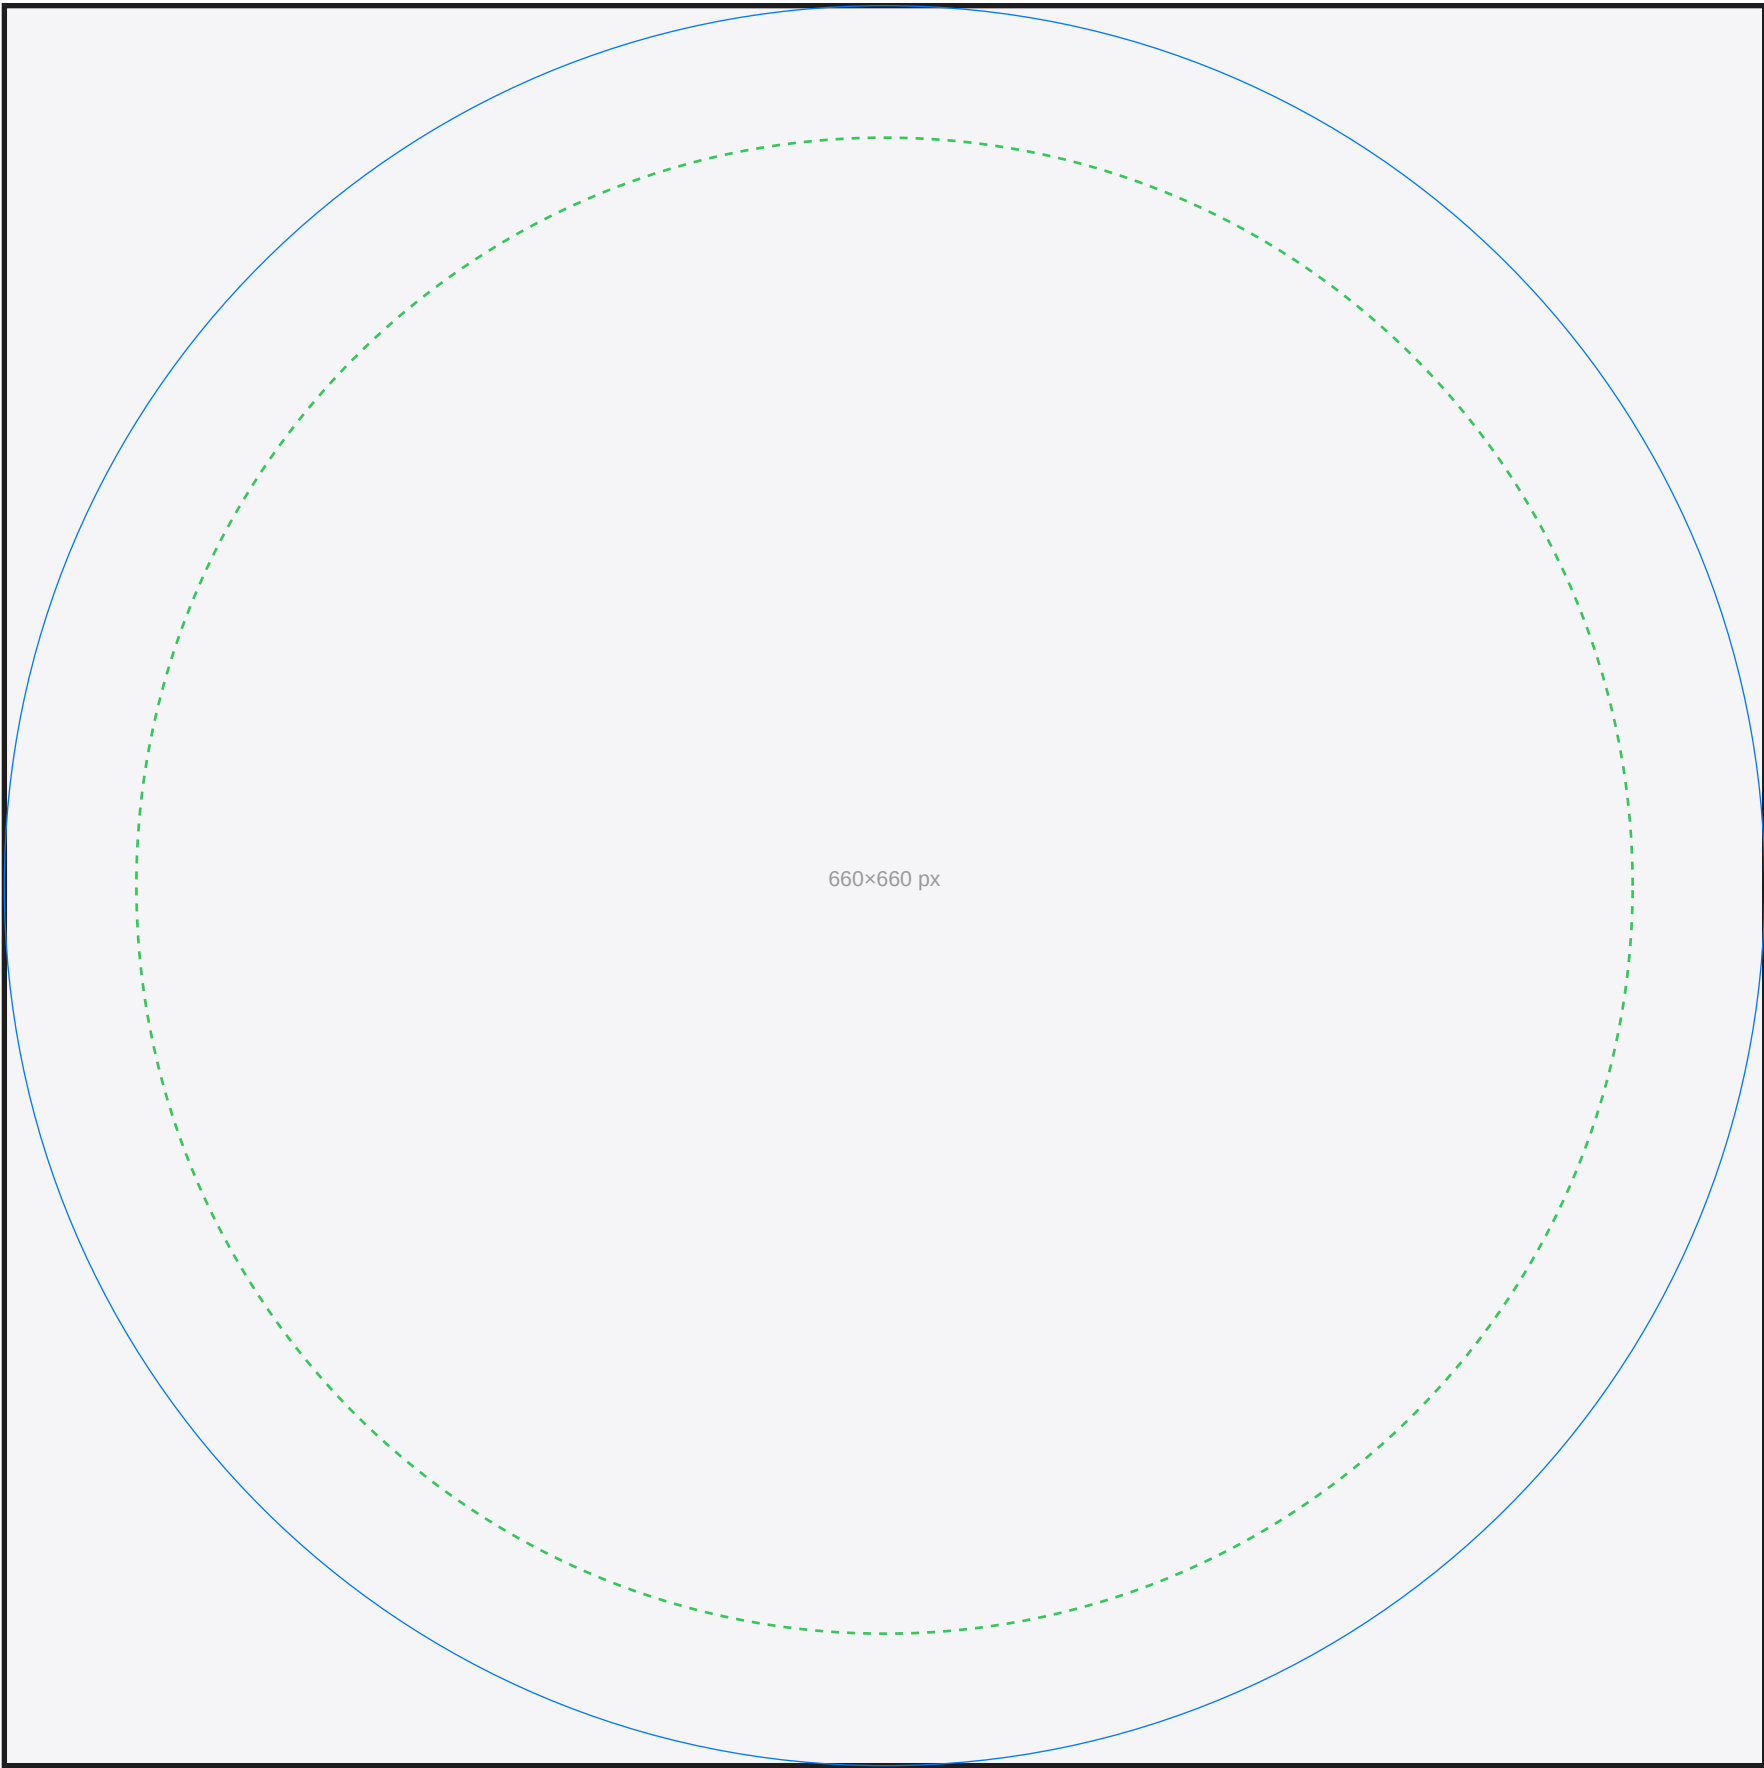

1125×432 px • Main banner on Google Wallet pass

- Same as Apple strip image (coupons)
- Can reuse Apple assets

Google Wallet Logo

660×660 px (square, will be circle-masked)

- Green dashed = Safe area (keep logo inside)
- Blue = Circle mask boundary

Wide Banner (Optional)

1860px wide × variable height

- Additional image below pass
- Minimum 1860px wide

QUICK REFERENCE

IMAGE TYPE	APPLE SIZE (@3x)	GOOGLE SIZE	FORMAT	NOTES
Strip/Hero	1125×369 px	1125×432 px	PNG	Main banner
Strip (Coupon)	1125×432 px	—	PNG	Taller format
Strip (Event)	1125×294 px	—	PNG	Shorter format
Logo	480×150 px	660×660 px	PNG	Google uses square
Icon	114×114 px	—	PNG	Apple only
Thumbnail	270×270 px	—	PNG	Generic passes
Background	540×660 px	—	PNG	Full pass background

DESIGN TIPS:

- Design at @3x, export @1x and @2x versions by scaling down
- Use PNG format with transparency for logos
- Avoid embedding text in images - it may get cropped
- Test on actual devices before finalizing
- Google logos get circle-masked - keep content in safe area

Individual Artboards - Copy & Paste Ready

Each artboard is exact pixel size - select and copy to new document
